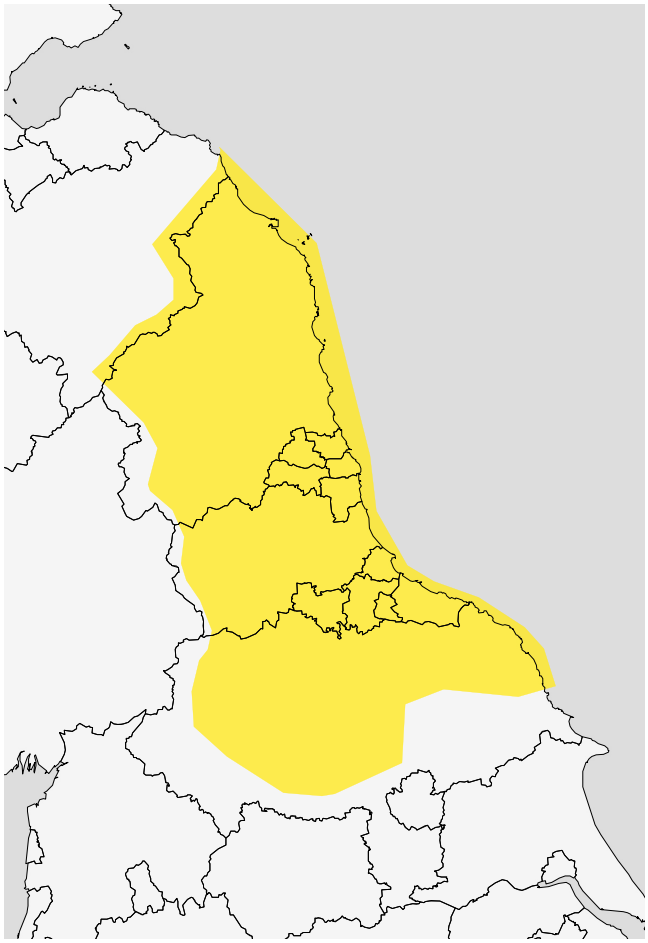
Yellow warning
Rain

Between
06:00 Sat 7 Dec 2024 and
09:00 Sun 8 Dec 2024



Heavy rain associated with Storm Darragh may lead to some disruption on Saturday and Sunday.

What to expect

- Spray and flooding on roads probably making journey times longer
- Bus and train services probably affected with journey times taking longer
- Flooding of a few homes and businesses is likely

Further details

Storm Darragh will bring further outbreaks of rain on Saturday, which are likely to become heavier and more persistent through the day, then last overnight and in to the start of Sunday, before clearing away to the south later. 20-25mm is likely to fall quite widely, with 40 to 60mm falling over high ground of the Cheviots, Pennines and North York Moors.

What should I do?

Check if your property could be at risk of flooding.

Further Details (continued)

If so, consider preparing a flood plan and an emergency flood kit.

Give yourself the best chance of avoiding delays by checking road conditions if driving, or bus and train timetables, amending your travel plans if necessary.

People cope better with power cuts when they have prepared for them in advance. It's easy to do; consider gathering torches and batteries, a mobile phone power pack and other essential items.

Be prepared for weather warnings to change quickly: when a weather warning is issued, the Met Office recommends staying up to date with the weather forecast in your area.
